

# LLR Miss Widespread ET

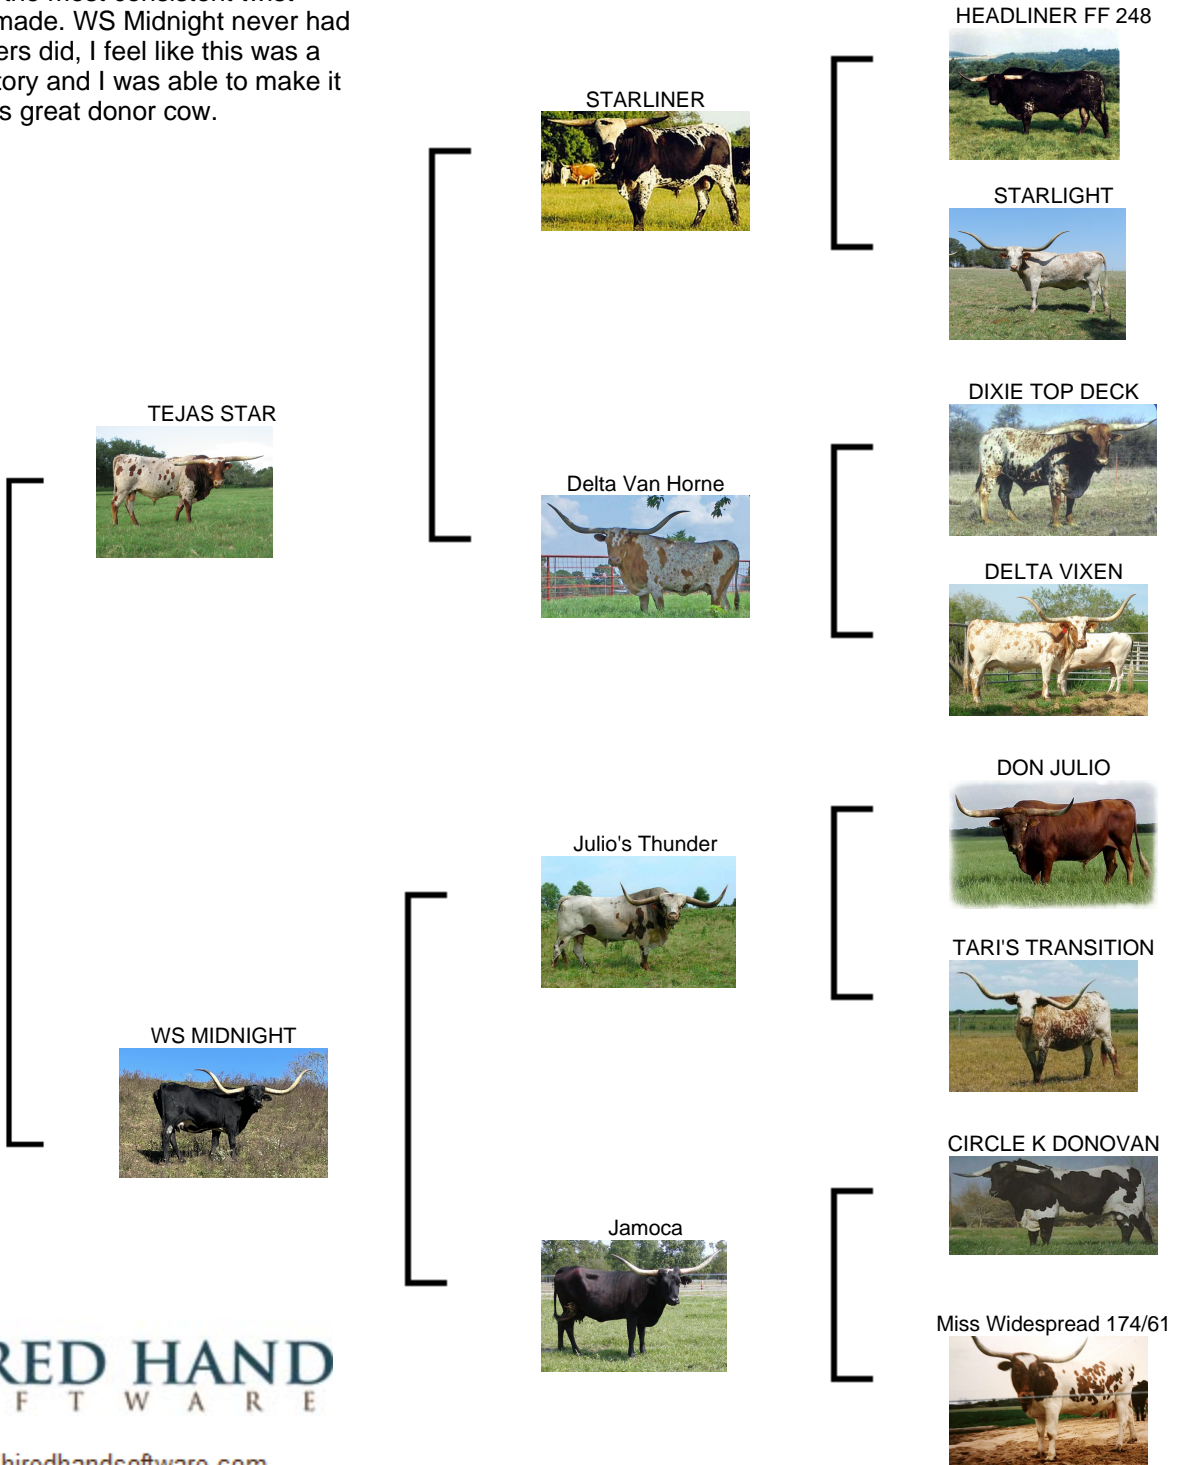

**Date of Birth:** 11/07/2024  
**Registration 1:** Pending  
**Breeder:** Harrison Iager  
**Owner:** Leathered Longhorn

Courtesy of Leathered Longhorn

3/4 sister to the famous WS Sun Star, WS Starlight, and WS Rising Star. Some of the most consistent twist producing genetics ever made. WS Midnight never had this mating when her sisters did, I feel like this was a missed opportunity in history and I was able to make it happen before we lost this great donor cow.
